**HISTORY**—In November 2006, the voters within Santee School District approved a \$60 million dollar General Obligation Bond. Forty million dollars in bonds have been sold to fund planning and improvements. This bond funding is only a portion of a much larger capital improvement program currently amounting to \$139.3 million.

## State Bond Program Progress — State Grant Funding Release

In December 2010, the State released another allocation to the District. The District immediately implemented the Phase 2 modernization program. In February 2011, modernization began at Pride Academy at Prospect Avenue, and the Chet F. Harritt Ball Field Improvements. In June, 2011, modernization began at Chet F. Harritt & Hill Creek Schools. Hill Creek School also broke ground for their new 2-Story, 10-classroom addition with an estimated completion date of April 2012. Santee School District is proud to announce eight of nine schools have been modernized due to Prop R funds.
