

4th and 5th Grade Classroom Wish List 2021/2022

The Fourth and Fifth grade teachers at Chet are requesting that no supplies be donated to the classroom. Instead, if you want to buy Back to school supplies for the new school year, that you keep them in your child's backpack for use at home and at school. Some items your child Will need are #2 pencils, colored pencils (12-24) and markers (8-10). A handheld pencil sharpener with a container to catch the shavings. A notebook with college rule paper. The other item would be a folder or binder for their backpack.

With respect,

The Fourth and Fifth Grade Team
